

## Notes from Today's Lesson:

### The Glory of Jesus

1. Revelation 21:1-2 — God will remove the universe and create a new, perfect one where there is no sin.
  2. Revelation 21:3 — God, in all His glory, will dwell (live) with His people as their God.
  3. Revelation 21:4 — There will be no more crying because suffering will be gone.
  4. Revelation 21:5-6 — Jesus will, by this time, have completed His mission of making all things new, including us.
  5. Revelation 21:6-7 — Those who trust in the saving work of Jesus will be a part of His kingdom and share in His glory.
  6. Revelation 21:8 — Those who did not trust in Jesus will not be a part of His kingdom and will be forever separated from God.
- How can you be a part of Jesus' kingdom?
  - Who would Jesus want you to tell about His kingdom?

### Devotional #1: God's Kingdom

Read Revelation 21:1-3

What will be the change to our current universe?

Who will be allowed to be a part of God's new heaven and earth?

What would allow us to be a part of God's kingdom?

### Devotional #2:

#### No Suffering One Day

Read Revelation 21:4-6

What will make God's kingdom different from the world today?

What does Jesus mean by Him making all things new?

How can we be a part of this new kingdom?

## Grace Kids Devotional:

This is an opportunity for you to go home and continue to learn about the lesson taught in Children's Church. The three devotionals are designed to connect to this week's lesson.

### **The Challenge:**

Complete all three devotionals either as a family or by yourself. If you are by yourself, you will need to write down your answers to verify you did the devotional.

Have your parent or guardian sign below, verifying you completed each devotional. Each devotional is to be done on a separate date (for example, Monday, Thursday, and Saturday).

### **The Reward:**

Return this portion of your notes to Children's Church on the following Sunday and you will receive one Grace Buck per devotional (so you can earn up to 3 Grace Bucks for doing all three)
